	(Check One)		
	<input checked="" type="checkbox"/> Altered	<input type="checkbox"/> Unaltered	
	<input type="checkbox"/> Moved		<input checked="" type="checkbox"/> Original Site
DESCRIBE THE PRESENT AND ORIGINAL (If known) PHYSICAL APPEARANCE			
<p>Ellsworth Marshall's House is a three bay long, two story frame dwelling with a one story wing on the north and a low two story wing on the south. Both of the wings are two bays long. It is covered with asbestos siding and the roof is asphalt. There is a brick chimney within the south gable of the main part and one on the outside of the north gable. A partly enclosed porch is built onto the west side of the south wing. Most of the windows have 6/6 sash, although the north wing, as well as the second floor south wing, has 2/2 sash, which appears to date from around the turn of this century. The main body of the house looks to date from around the mid-19th century.</p>

STATEMENT OF SIGNIFICANCE

This house is almost identical to the O'Connor house on the adjoining farm. From the balanced wings to the asymmetrical main part and placement of chimneys the houses are as close as possible. It also is similar to Kilmaurie.
